

ADVERTISING BINDER POLICY

The Library has made available a loose leaf binder for the use of tutors, schools, businesses and private individuals to have a place to advertise their services or sell their items.

All fliers must be approved by a librarian and he or she will place the flier in the binder.

Fliers will be kept for up to three months. After three months they will be removed and discarded. Advertisers have the option to resubmit their fliers.

No fliers with tear offs will be accepted.

Priority will be given to businesses in North Brunswick but if room allows fliers from other locations will be accepted.

The North Brunswick Library does not endorse nor have any relationship with the advertisers listed in our binder.

Approved by the Library Board of Trustees August 15, 2012
