

# Exploring Business Ownership Through Franchising

**Registration  
Required!**

**A Free Virtual Program**  
**Thursday, March 14th**

**12pm - 1pm**

Join us for this free virtual workshop presented by Boynton Weekes of FranNet! With more than 20 years of experience in the franchising industry, Boynton knows all there is to know about owning and operating a franchise. In this program, he will debunk some common myths about franchising, evaluate the risks and rewards behind franchise ownership, and help you determine if franchise ownership is the best option for you!

**Begin your business adventure by registering for this workshop today!**
